## HEALTH SERVICES AT RESOURCE CONNECTION CENTER

Our work centers around access and ensuring everyone has the opportunity to have their health-related needs met.

**Services include:**

- Health screenings like breast cancer, blood sugar, hypertension
- Connection to free and reduced cost health services
- Help navigating the health care system, health insurance, and complicated diagnoses
- Private and reliable space to meet with your provider virtually via telehealth

**NOT SURE WHERE TO START?**

Call the nearest Resource Connection Center to make an appointment with a Community Health Worker.
